Sir,

I have the honor to submit for favorable Consideration and orders of Government, the enclosed extract from the Proceedings of the meeting of the members of the Tumkur Town Municipal Board, held on the 28th may 1901, proposing that Government may be moved to sanction the grant of a monthly allowance of Rs 10/ to Mr Hakim Gulam Mohamad Saheb from the Tumkur Town Municipality for the support of private Yunani medical Institution opened and maintained at his own cost in the Town of Tumkur.

(2) Mr Hakim Gulam Mohamed Saheb is a very respectable Hakim and the Townspeople of all classes entertain a very high regard of his medical skill. His private dispensary is freely resorted to by the sick of the Town and of the adjoining villages.

Villages. His means are limited and he is therefore in need of some pecuniary help from Government in order to meet the necessary expenses of purchasing medicinals drugs &c.

3 I believe that grants have been sanctioned by Government for the purpose of affording Unani medical treatment at Mysore, Shemoga and other places. Though the proceedings referred to above was passed by the Board shortly after I took charge of the District, yet I waited to judge for myself whether the Gentleman deserved to be helped as suggested. I have found that the Hakim is universally popular here and the Assistant Surgeon Mr T.S. Nanjappa also thinks highly of him as a Unani medical man. I beg to state that the closing balance at the credit of the municipality amounts to not less than Rs 9684 and the outlay of Rs 120 per annum for this purpose may be incurred without affecting the prescribed proportion of the balance.

4. Under the foregoing circumstances, I beg that Government may be pleased to accord their sanction to the grant of the aforesaid allowance of Rs 10 per mensem authorizing me at the same time to submit

a Supplemental Budget making the necessary provision.

Proceedings of the meeting of the members of the Tumkur Town Municipal Board, held on the 28th May 1901.

5. On behalf of the Townspeople Mr Kannik Nallappa presented an application for a grant of Rs 15/- per mensem from the Municipality to Mr Hakim Gulam Mahamed Saheb for enabling him to prepare and administer to people Yunani medicine more generally than at present, at his own cost. The private institution maintained by him is said to be very popular.

Resolved nem con that if funds allow, Rs 10/- may be proposed to the sanctioning Government in aid of the institution as people have great faith in the efficacy of the medicines administered by the Hakim who is said to have worked hard during the plague and cholera seasons, with the Government medical staff, in relieving people
